Join us on December 3rd from 4:00 to 6:00 p.m. in the Hurd Science Center Auditorium at DeSales University for a screening of a new movie about our troubled economy.

I.O.U.S.A. boldly examines the rapidly growing national debt and its consequences for the United States and its citizens. Burdened with an ever-expanding government and military, increased international competition, overextended entitlement programs, and debts to foreign countries that are becoming impossible to honor, America must mend its spendthrift ways or face an economic disaster of epic proportions.
