COVID-19 IMPACT ON POST-GRADUATION PLANS

Have you experienced a change in your post-graduation plans due to the COVID-19 pandemic?

While COVID-19 continues to impact the world and economy, the DeSales' class of 2022 felt a slight impact to their post-graduation plans. A large percentage of graduates were able to successfully obtain their sought out plans.

■ NO
■ YES

Experiential Learning Opportunities

How many graduates completed an internship, field experience, clinical rotation, student teaching, or other experiential learning opportunity while enrolled at DeSales?

51%

At Least One
Experiential Learning
Opportunity

41% of those who completed at least one experiential learning opportunity **said it resulted in an offer of employment.**

76% of those who completed at least one experiential learning opportunity that did not result in an offer of employment, **said the experience was still instrumental in gaining other employment.**

Recommend DeSales?

I would recommend DeSales to a family member or friend:

DeSales Mission?

To what extent has DeSales' mission impacted your educational experience?

“ DeSales has allowed me to open myself up in so many different ways that has given me the chance to change majors and fall in love with a new career. I felt so comfortable with the change and being able to explore a new path, but at the same time have constant support and reassurance from my professors, advisors, and family. ”

“ DeSales has allowed me to embrace my faith in all aspects of campus life and challenged me to be the best student, athlete, and person I could be. ”

“ Embracing Salesian Spirituality allowed me to become the leader that I am today and to think of other's perspectives throughout my time here at DeSales. ”
