Doctor of Physical Therapy Program Information
Class of 2023

- Your Official Award Letter is based on the information provided on the FAFSA and your enrollment. Email notifications are sent when award packages have been prepared. You can view your Award Letter by logging into your WebAdvisor account under the Financial Aid heading and by clicking on the “Financial Aid Award Letter” link.

- If this is the first time you will be applying for a William D. Ford Federal Direct Loan at DeSales, you must complete an electronic Master Promissory Note and Entrance Counseling. You can complete these forms online at https://studentaid.gov/. Please note that this process must only be completed one time while you are enrolled at DeSales University.

- Under the unsubsidized Federal Direct loan program, a student may choose to make quarterly interest payments on this loan while enrolled in a degree program or add the accruing interest to the principal until repayment. Repayment will begin six months after graduation or when he/she is no longer enrolled in a degree program on at least a half-time basis.

- DeSales University offers the Graduate Direct PLUS loan and Alternative (private) loans. A student may borrow up to the cost of attendance minus any other financial aid that the student has been awarded. Please note that a student is required to maximize his/her unsubsidized loan borrowing options prior to borrowing under the Grad Direct PLUS and or Alternative (private) loans. You can complete the application process for a Grad Direct PLUS on line at https://studentaid.gov/ and for an Alternative Loan through www.elmselect.com.

- If you use a portion of your financial aid for living expenses, you may be eligible to receive a refund (of your credit balance) after the drop/add period based on the term’s time table. There will be NO refunds issued unless there is a credit balance on your account. If you have received a refund based on your enrollment and you change your enrollment status (i.e. dropping a class or classes) then you may be required to repay all or a portion of the refund back to the federal government.

**This holds true provided all your paperwork is completed with the Office of Financial Aid and you do not have any financial holds with the Bursar’s Office.**
