

DESALES UNIVERSITY

2021-2022 DeSales University Tuition and Fee Chart

To assist in your financial planning, the direct and indirect costs used to determine your Cost of Attendance for the 2021-2022 academic year are listed below. "Direct costs" plus "Indirect costs" are referred to as your Cost of Attendance. The Cost of Attendance is used to determine a student's financial aid eligibility at DeSales University.

DIRECT COSTS* are the billed expenses incurred by all students. INDIRECT COSTS** are estimated additional expenses incurred each year that are included in your Cost of Attendance but are not billed to you. Please be advised that each student's bill will be different depending on course and lab fees assessed. If you are a Nursing or TV/Film major please add \$800 to your cost of attendance as you are charged an additional program fee. The Orientation Fee*** is a one-time fee.

Table with 3 columns: RESIDENT, COMMUTER, OFF-CAMPUS. Rows include Direct Costs* (Tuition, Room and Board, Orientation Fee, Student Center Fee, Technology Fee) and Indirect Costs** (Books/Supplies, Transportation/Fees, Personal Expenses, Living Expenses). Totals are provided for each category.

Please note: The costs above are estimates and will be finalized in April 2021

- 1. As stated above, additional lab and course fees may apply depending on major and course selection. Following is an example of additional program and lab fees for a first year Nursing student:

Table listing fees: Nursing Professional Fee (\$800), Language Course (Lab fees-2 semesters) (\$80), Science Lab (2 semesters) (\$80).

Annual Program/Course Fee Total: \$960 (\$480 per semester)

- 2. Differences in information provided to the Office of Financial Aid may result in changes to your official offer letter. If you are selected for verification, the Office of Financial Aid will notify you in writing. Changes may occur as a result of our verification process. If there is a special circumstance that may affect your ability to finance the cost of college (e.g. complete loss of work by a wage earner, major medical expenses uncovered by insurance, etc.), please contact the Office of Financial Aid

3. You must submit a Free Application for Federal Student Aid (FAFSA) **each year** in order to be considered for need-based aid. **Federal, state, need-based grants, loans and work awards** are renewed each year provided your financial need remains similar and you maintain acceptable academic standing. **Scholarships and grants** funded from University sources are renewable each year with the fulfillment of requirements as defined on the Scholarship and Grant Renewal Requirements form.
4. Federal Work Study and Institutional Employment are **not** credited to your bill. Students granted work awards are eligible to earn that amount during the course of the academic year through campus employment. ***Students cannot work more than 20 hours per week while classes and can hold one position on campus (some exceptions apply).***
5. You must report any scholarships and/or loans received through outside sources to the Office of Financial Aid. The University reserves the right to adjust your financial aid award if your total aid from all sources exceeds your financial need.
6. A change in residency status may affect your financial aid eligibility. You should notify the Office of Financial Aid if you intend to change your status (on-campus, commuter residing with parent, off-campus).
7. All students who have filed the Free Application for Federal Student Aid (FAFSA) will be awarded a Direct Loan as part of their financial aid package. The Direct Loan is a guaranteed loan option in the student's name. Financial need will determine whether this loan is subsidized (the Federal Government pays the interest accrued while the student is enrolled) or unsubsidized (the student is responsible for all interest accrued).
8. The annual loan limit for a first-year dependent student is \$5,500. A maximum of \$3,500 may be subsidized based upon financial need. If a student is independent based on information provided on the FAFSA (or dependent students whose parents are unable to secure a Federal Direct PLUS loan) he/she can borrow an additional unsubsidized Direct Loan which is based on the student's year in school. For more information about annual and aggregate loan limits, interest rates and repayment visit the Federal Student Aid website - <https://studentaid.ed.gov/sa/>.

SCHOLARSHIP & GRANT RENEWAL REQUIREMENTS

Initial eligibility for scholarships is determined and awarded when a student is accepted to DeSales University. Institutional aid is renewable on an annual basis provided the student is making Satisfactory Academic Progress and is enrolled full-time in the traditional day program. Students are required to maintain Acceptable Academic Standing and cannot be in violation of Student Conduct Policy.

Please note:

1. DeSales University merit and need-based awards are applied to tuition only for 8 fulltime semesters.
2. All types of institutional funds may be re-classified as Endowed Grants/Scholarships or Named Grants/Scholarships. Recipients are required to write a letter to the donor and, if requested, attend a dinner or reception with the donor. If the recipient does not fulfill these requirements, the institutional funded aid will be removed.
3. Liturgical music and chorale scholarships are awarded on an annual basis only. Any student who cannot participate for the entire academic year will be deemed ineligible.
4. Any student who has a negative impact on the campus community through his or her social and/or academic behavior may jeopardize his or her institutional awards.
5. A student is deemed ineligible for institutional aid during a period of disciplinary probation imposed upon the student as a result of appearing before the Disciplinary Affairs Committee or before the Dean of Students (see the *Student Life Handbook* concerning disciplinary probation).
6. A student is deemed ineligible for institutional aid if he or she is found guilty of academic dishonesty as a result of appearing before the Academic Affairs Committee or before the Dean of Undergraduate Studies (see the *Undergraduate Catalog* concerning academic dishonesty).
7. Reinstatement of institutional aid eligibility following a period of disciplinary probation or charges of academic dishonesty requires a written request for reinstatement by the student and written support of reinstatement by the appropriate student life or academic official attesting to the student's good standing within the University community.
