FINANCIAL AID INFORMATION FOR GRADUATE STUDENTS 2022-2023

Applying for Aid
Complete and submit the 2022-2023 Free Application for Federal Student Aid (FAFSA) designating DeSales University with school code 003986 at https://studentaid.gov/. Financial aid eligibility is based on the information provided on the FAFSA and your enrollment.

On WebAdvisor, your financial aid status will be marked “Under Review” while the Financial Aid Office reviews your FAFSA. Some Financial Aid applicants may be required to provide additional documentation before financial aid can be finalized. Once your financial aid review is complete, a Notice of Eligibility will be sent to your DeSales email account. The Notice of Eligibility will provide instructions on how to request a federal unsubsidized loan. You’ll receive additional email notifications when your loan request is approved and when loan funds are disbursed to your account. You can view your financial aid information via WebAdvisor under Financial Aid, then select the Financial Aid Checklist link.

Each semester, your enrollment will be reviewed. If you are no longer meeting eligibility criteria, a notification will be sent to your DeSales email of the change and advising you to review updated information on WebAdvisor.

Billing and Payment Information:
If you use a portion of your financial aid for living expenses each semester, you may be eligible to receive a refund of any credit on your account after the drop/add period closes. There will be NO refunds issued unless there is a credit balance on your account. If you have received a refund based on your enrollment and you change your enrollment status, you may be required to repay all or a portion of the refund.
