Financial Aid Loans

Eligible PA students may borrow up to **\$10,250** per semester in the Federal Direct Unsubsidized Loan Program. Students may choose to make interest payments while in school, but are not required to until after they graduate or are no longer enrolled in at least three credits per term. Note that the Department of Education takes a 1% origination fee on all Federal Unsubsidized Direct Loans. As an example, the net amount disbursed on a \$10,250 Federal Direct Loan will be \$10,142.

Federal Direct Loans have an aggregate borrowing limit of \$138,500. This includes loans borrowed during an undergraduate degree program. If you have previously borrowed and would like to review your loan history, log into <https://studentaid.gov/> and view your “Dashboard.”

First-time borrowers planning to utilize the William D. Ford Federal Direct Loan program at DeSales must complete the Master Promissory Note (MPN) and Entrance Counseling at <https://studentaid.gov/>. Please note that this process must only be completed once while you are enrolled at DeSales University.

Federal Direct Loans cannot be processed for any repeated courses/clinicals.

Additional Loan Options (Completed after May 1, 2024) Students are required to maximize their Unsubsidized Loan Eligibility prior to utilizing the additional loan options below:

Federal Graduate Plus Loan - Information on this loan program can be found here: <https://studentaid.gov/understand-aid/types/loans/plus>. This loan may be deferred for six months after graduation or until the student enrolls less than three credits.
