1. If you are a Nursing or TV/Film major please add $800 to your cost of attendance as you are charged an additional program fee.
   Additional lab and course fees may apply depending on major and course selection. Please contact the Bursar’s Office (x1343) if you have any questions about these fees.

2. Conflicting information provided to the Office of Financial Aid may result in changes to your financial aid. If you are selected for verification, the Office of Financial Aid will notify you in writing. Changes may occur as a result of the verification process.

3. If you or your family have experienced unemployment or a special circumstance (e.g. complete loss of work by a wage earner, major medical expenses not covered by insurance, etc.), contact the Office of Financial Aid.

4. You must submit a Free Application for Federal Student Aid (FAFSA) each year to be considered for need-based aid.
   Federal, state, need-based grants, loans and work awards are renewed each year provided financial need remains similar and acceptable academic standing is maintained.

5. Federal Work Study and Institutional Employment are not applied to the bill. Eligible students are paid hourly and can earn up to the amount reflected during the academic year. Students cannot work more than 20 hours per week while attending classes and can hold one position on campus (some exceptions apply).

6. You must report any scholarships and/or loans received through outside sources to the Office of Financial Aid. The University reserves the right to adjust your financial aid award if your total aid from all sources exceeds your financial need.
7. A change in residency status may affect your financial aid eligibility. You should notify the Office of Financial Aid if you intend to change your status (on-campus, commuter residing with parent, off-campus).

8. All students who have filed the Free Application for Federal Student Aid (FAFSA) will be awarded a Direct Loan as part of their financial aid package. The Direct Loan is a guaranteed loan option in the student's name. Financial need will determine whether this loan is subsidized (the Federal Government pays the interest) or unsubsidized (the student pays the interest).

9. The annual loan limit for a first-year student is $5,500 for dependent students. A maximum of $3,500 may be subsidized based upon financial need.

10. The annual loan limit for a second year student is $6,500 for dependent students. A maximum of $4,500 may be subsidized based upon financial need.

11. The annual loan limit for a third or fourth year student is $7,500 for dependent students. A maximum of $5,500 may be subsidized based upon financial need.

12. If a student is independent based on information provided on the FAFSA (or dependent students whose parents are unable to secure a Federal Direct PLUS loan) can borrow an additional unsubsidized Direct Loan which is based on the student's year in school. If the student is a freshmen or sophomore the student can borrow up to $4,000; if the student is a junior or a senior the student can borrow up to $5,000. Visit the Federal Student Aid website for annual and aggregate loan limits, interest rates and repayment. Note that the Department of Education takes a 1% origination fee on all Federal Subsidized and Unsubsidized Direct Loans. As an example, the net amount disbursed on a $5,500 loan will be $5442.

SCHOLARSHIP & GRANT RENEWAL REQUIREMENTS

Initial eligibility for scholarships is determined and awarded when a student is accepted to DeSales University. Institutional aid is renewable on an annual basis provided the student is making Satisfactory Academic Progress and is enrolled full-time in the traditional day program. Students are required to maintain Acceptable Academic Standing and cannot be in violation of Student Conduct Policy.

Please note:

1. DeSales University merit and need-based awards are applied to tuition only for 8 full-time semesters.

2. All types of institutional funds may be re-classified as Endowed Grants/Scholarships or Named Grants/Scholarships. Recipients are required to write a letter to the donor and, if requested, attend a dinner or reception with the donor. If the recipient does not fulfill these requirements, the institutional funded aid may be removed.

3. Liturgical music and chorale scholarships are awarded on an annual basis only. Any student who cannot participate for the entire academic year will be deemed ineligible.

4. Any student who has a negative impact on the campus community through social and/or academic behavior may jeopardize their institutional awards.

5. A student is deemed ineligible for institutional aid during a period of disciplinary probation imposed upon the student as a result of appearing before the Disciplinary Affairs Committee or before the Dean of Students (see the Student Life Handbook concerning disciplinary probation).

6. A student is deemed ineligible for institutional aid is found guilty of academic dishonesty as a result of appearing before the Academic Affairs Committee or before the Dean of Undergraduate Studies (see the Undergraduate Catalog concerning academic dishonesty).

7. Reinstatement of institutional aid eligibility following a period of disciplinary probation or charges of academic dishonesty requires a written request for reinstatement by the student and written support of reinstatement by the appropriate student life or academic official attesting to the student's good standing within the University community.
