Students can apply to the MBA Program at the end of their junior year and receive a letter of intent. Final acceptance into the accelerated MBA Program is contingent upon successful undergraduate degree conferral. Students can apply without submitting GMAT scores but must have at least a 3.0 cumulative GPA for all previous coursework.

** Students will take three (3) Business Foundation courses beginning in their senior year to prepare them for accelerated MBA program.*

*** The accelerated MBA curriculum can be completed online in 36 credits through the general MBA track. Additional tuition will be billed at the MBA rate at time of admittance.*

**** The total number of semester credits will be influenced by the number of credits of the biology elective. Biology electives may have a laboratory component and therefore will be 4 credits.*
